Respected Sir,

We, the undersigned, beg to bring the following facts to your kind notice with the hope that you may in the interest of justice and humanity pass immediate orders in the matter

There have been innumerable demands for the allotment of Sagi Sites for building purposes in the plot of ground on which the Health Camp stands beyond the Western gate of Lalbag

Further the poor residents of Chadarghat whose houses were completely destroyed during the recent heavy rains and those whose houses are to be acquired immediately have been Clamouring for these Sites

But nevertheless we understand that recommendations are made to Govt for giving away for a nominal price blocks consisting of

15–20 acres to enable individuals who we understand are high officers at the Seat of Government.

These recommendations are made even without consulting the Municipal Council the representative body of the citizens of Bangalore

Evidently the Municipal Council do not intend that the interest of the individual shall have predominance over and be detrimental to reasonable demands of the public.

We fear that if the recommendations are sanctioned immediately the poor residents of Siddapura will be completely deprived of opportunity of building homes in the healthy locality.

We, therefore, humbly pray that immediate orders be issued to defer the disposal of the Site pending the decision of the Municipal Council in the matter and till the question of allotting the Site to the poor displaced residents of Siddapura

be finally settled.

We beg to remain,
Respected Sir,

Your most obedient and loyal
residents of Siddicotta.
